Welcome to the Winter 2023 Newsletter

It has been a very sad time for the Club following the passing of Rose Groom and Michelle Philipson, two ladies who contributed a lot to the Club over the years.

Jeannine Merrey also stood down from the Committee and we would like to thank her for all her hard work and wish her all the best for the future.

We said goodbye to Dawn Barry who is moving away to be closer to her family. House moves are never straightforward but this one seemed particularly troublesome and long-winded. However, she is finally in her new home and on behalf of the committee I wish her every happiness on her next adventure.

We also said goodbye to our Championship Show venue at Bushfield in Peterborough. As someone who has historically shown red dogs I have never been particularly fond of showing in leisure centres as the lighting does not tend to do them justice. We look forward to welcoming you all at the Dobermann Club in 2024.

Finally I would like to wish our very own Sheena Peck all the very best as she steps into the ring to award CCs for the first time at the Midland Boxer Club on 10 February. A very proud day for her indeed.

We do love to hear from our members and so if you would like to get in touch please do not hesitate to contact me at lorraine.ames@yahoo.co.uk or via our Facebook page.

May I take the opportunity to wish you all a very Merry Christmas and all the best for 2024.

Lorraine

Rose Groom
12th October 1941 - 29th June 2023

We were all very saddened to hear that Rose had passed away in June. She had been an integral part of our club for so many years and only retired from the committee in 2022 due to her ill health.

Rose and Ken were married in 1960 and started showing their first Boxer, Beech Gunner at Kerogi in 1979. Rose was a regular attendee at the Eastern Counties Branch of the British Boxer Club, and in 1985 was a founder member of the newly formed Essex & Eastern Counties Boxer Club. She joined the committee in 1989 and ran the catering for many years.

Rose worked as a school cook for over 40 years, but never one to sit still, in her spare time, she was also a member of the Order of Lady Glades, Holy Trinity Bowls Club and was the Social Secretary of Beech United Football Club for over 35 years.

Rose was passionate about animals and being an avid knitter, she was often to be found making toys to sell for Boxer Rescue. Her other great love was the Donkey Sanctuary.

She was immensely proud of her two children, seven grandchildren and six great grandchildren.

The meeting after her retirement brought home to us how much we would miss work ethics, as well as her dry humour.

Rose will be very much missed, not only by her family, but by all her friends at the “Essex”

Reserve Best in Match: Clifton & Byrne's Jolegi Wandavision

Best Puppy: Cook's Lobeabox Lena Marelli

Thank you for the invite to judge your lovely dogs, temperament throughout the day was a pleasure to see, not one cross word or grumble heard.

Best in match: Kuech's Boese Jiggery Pokery. 4 year old brindle bitch, although frilly underneath from a phantom, was full of quality. She stood on good feet and has nice bone, good and straight in front, which she kept when moved,

she displayed good reach and drove powerfully. Short backed with strong loin, good length of neck, displaying a good outline, powerful but with enough feminine elegance. Her head is very feminine and was clean cheeked with nice high set ears. Proportions were good and the muzzle well padded. I hope she pulls her underline back ready for the show season for you.

Reserve Best in Match: Clifton & Byrne's Jolegi Wandavision.

A quality brindle young girl from junior, so much to like, a beautifully balanced shape with a neck that has strength and length, short backed with strong loin and width across the rear. This girl stands on good feet with nice bone, elbows well placed and good thighs. When settled she showed precise footfall, but hasn't yet got her 'look at me' attitude, when she realises how good she is and becomes a show off I'm sure she will excel. Her head is very well proportioned, and she has a very well padded muzzle, her expression is alert but soft, once she shows herself to her best advantage!

Best Puppy Cook's Lobeabox Lena Marelli.

A confident relaxed young girl, nice shape which will improve as she muscles up. A pretty girl with good ear set and correct bite, her expression is very appealing, could only be a girl! She has enough bone and is moving well and driving with good footfall. An all round nice type with time on her side.

Best in Match: Harris' Milion Diddles from Newlaithe

Reserve Best in Match & Best Puppy: Peck & Ames' Winuwuk Line of Duty

Best in Match Harris 's Milion Diddles from Newlaithe. Smart Red & White Bitch in good hard condition which serves her well to enhance a good square outline in profile. Good depth of chest and spring of ribcage. correct layback of shoulders. Correct proportions, handler just needs to watch that she is not overstretched, because it throws her out of that pleasing shape. Movement was sound, and maintained a nice topline with drive off of strong quarters, Head was all in proportion with a pleasing expression. Good temperament. She looks as though she could do a good day's work with little effort.

Reserve Best in Match & Best puppy was Peck's & Ames's Winuwuk Line of Duty for Enesha. A smart young Brindle & White Male, good size for his age and shows good potential. He has a very pleasing head, with good width of muzzle, nice dark eyes and ears correctly set. Good depth to chest and strong front with good bone. Movement was sound with a good topline. There was drive from the rear which I feel will increase as he matures and bodies up, but that is something not to be rushed in a young dog. Well handled. Good temperament and one to keep an eye on.

RBIM Wilson's Thorpaige What a Kerfuffle. B/W of 14 months, super young bitch shown in excellent condition. Pretty well balanced head with dark expressive eyes, well off for bone, presents a sharp, square outline with excellent angulation both ends. Moved and handled well.

Artificial Intelligence

Those of you who know me well will know that I am a bit of a geek in my life and like to make use of the latest technology. I have been fascinated with developments in AI and have been experimenting with ChatGPT and Dall-E. I thought it might be ready to handle something as simple as modernising the cover of this very newsletter so I gave it some text and the logo to see what it could do...

First attempt :

Second attempt:

Third attempt:

I think we can conclude that unfortunately it is not quite ready to replace me but I did think some of the Boxers looked quite good.

I then asked it to recreate me and Barry in this picture as cartoons and thought the results were rather good! See what you think:

Consumer Tests

Barry and Terrance also insisted on being immortalised as cartoons so here we are.

The boys enjoyed a pleasant Summer holiday in Wiltshire, although their humans were not quite as pleased with the gradients as they don't have 'hill legs' living in Norfolk. Unfortunately they were not allowed near Stone Henge and so no photo opportunity there. They wanted me to share with you this fact about Norfolk:

Norfolk is part of the driest region in the UK, which is East Anglia. This region, encompassing the counties of Norfolk, Suffolk, Cambridgeshire, and Essex, receives less than 600mm of rainfall annually. This amount is almost half of the UK average, which stands at about 1,163mm, indicating a significantly drier climate for East Anglia compared to the rest of the UK.

However this year has been more like this! The boy's favourite field has been a lake and we have experienced a fair amount of flooding.

Unlike his ancestors, Barry is somewhat of a fair weather fan and hates being wet. Plus at 10 1/2 he needs to keep those old bones warm and dry.

In speaking to their pals at obedience class they pointed us to the Ruff and Tumble Drying Coat. Retailing at over £50 they had to dip into their pocket money and just bought one between them in a fetching shade of purple. I must admit that this is a game changer - it is like a luxurious bathrobe. I am just waiting for the sales to get another! [Dog Drying Coats, Dog Bed Covers Plus More By Ruff & Tumble \(ruffandtumbledogcoats.com\)](http://ruffandtumbledogcoats.com)

Terrance has also completed a UK Scent work Training Course which he thoroughly enjoyed, In just six sessions he learned to search a vehicle and a room to find minute pieces of Kong. If you are struggling with a boisterous, reactive dog like him you might want to find a local class as he was exhausted afterwards!

Judge: Dawn Barry (Taputti)

Best in Match: Wheeler's Olibetay Bella Rose at Hipkins

Reserve Best in Match: Clifton & Byrne's Jolegi Wandervision

Puppy Walk: Longley's Lymkyns Moonlight Tango with Attomic

Thank you to the committee of the Essex Boxer Club for the invite to judge the October match. There were 14 dogs to judge.

Best in Match - Wheelers - Olibetay Bella Rose at Hipkins, 2.5 year old brindle/white bitch. Square and compact bitch with good bone not overdone and in excellent overall muscled condition. Short tight jacket. Clean well proportioned head with lovely dark eyes, flat clean cheeks and alert expression. Tight feet, could do with a touch more slope to the front pasterns. Hammy wide thighs. Strong topline which she held whilst posed and moving. Strode out well with an easy action. A really good bitch to judge.

Reserve Best in Match - Byrnes - Jolegi Wandavision. 2 years old brindle/white bitch. Another square bitch who is in hard condition. Lovely clean head with dark eyes with the kindest of expressions. Another with tight feet and a slight slope to her pasterns enabling her to stand easily four square. Correct balanced angulation front and rear short hocks enabling her to move round the ring easily.

Best Baby Puppy - Longley's Lymkyns Moonlight Tango with Attomic - Almost 6 months old red/white bitch. Very much a puppy as she should be at this stage. Clean head with large open nostrils, dark well shaped eyes and a keen, alert and intelligent expression. Short tight jacket with good pigmentation. Clean elegant neck which was used well. Small tight feet and an easy action moving around the ring.

Judge - Dawn Barry - Tapputi

Michelle Phillipson

Michelle Phillipson was a true Boxer lover. Having her first Boxer at aged 5, Michelle was expecting a cute fluffy puppy that she could dress up but ended up with a big slobbering bouncy boy called Max, who apparently use to take himself off on the bus to go over Hackney marshes! Max started Michelle's lifelong love of the breed. Michelle would always have a tale to tell, about herself or her Boxers exploits, always combined with that loud unique laugh and a twinkle in her eye.

The affix Gemelia was established in 1987 with the help of Gail Saffer, being a combination of Gemma & Melissa. In 1983 Michelle purchased her first show dog, Tyegarth Cup Of Kindness (Melissa) from Sheila Cartwright. Two years later she bought Tyegarth Foggy Dew (Gemma) she was a very pretty puppy and done well in the show ring. Gemma was a bit of a chewer and managed to devour car seats & hotel rooms. In 1987 Gemma had a litter to Glenfall The Gladiator, Michelle kept Gemelia Adorable Aimee, who gained her JW. Michelle always said she was such a lady and a pleasure to show. In 1993 Michelle bought a lovely red bitch from her close friend Janice Ford and Windorf Rhapsody in Red was welcomed to the madhouse. Maisie was a lovely puppy and Michelle was gutted when she started showing her teeth. Maise was Michelle's favourite and on the day of her passing Charlotte asked in all sincerity, 'Mum now Maisie has gone, can I be your favourite?'

In 1994 Michelle bought Whitney (Boundstar Deeply Dippy At Gemelia) from her long-time friend Nigel Utting, if only she knew then what would follow a few generations later....

In 2003 an English bulldog was purchased called Matilda, who was put to Ocobo Rolex and produced Jemelia Jenson who was made up into a Champion, although as he wasn't a boxer Michelle refused to put his certificate on the wall!

In 2004 Gemelia Have you seen her was born, she was a Winuwuk Lust In The Dust daughter. Although Michelle had many favourites over the years, there is always that one special heart dog and Florence was it. They were devoted to each other. Michelle was an insulin dependent diabetic, and Florence was so in tune with Michelle that she would recognise when she was experiencing low blood sugar, and would nudge and create when her levels dropped, once even saving her life, she was an amazing dog. If she had never bought deeply Dippy in 1994, she would never have had her great-granddaughter, her darling Florence. Michelle always said that if she won the lottery, she would have had her nail clippings and fur strands sent to China to be cloned. These were placed alongside Michelle at her funeral, so that she will be forever with her darling Flo.

Michelle was a long-time member, then committee member of the Essex and Eastern Boxer Club, only retiring when her ill health prevented her showing her dogs, although she always kept up to speed with the goings on via face book. She still had a couple of boxers at home and Noodle the poodle to keep her company.

Reminiscing about Michelle with family & friends one thing stood out, apart from her love of Boxer's, Michelle had a wicked sense of humour and anyone that knew her always said what fun they had in her presence, and you would either be laughing at her or with her. She will be greatly missed by all who knew and loved her.
